CANINE CODE OF ETHICS FOR OWNERS

Congratulations on the purchase of your four-footed, Ruff Diamond friend. We know that in a very short time the two of you will have a great relationship. However, to keep the bonds of love strong, we ask that you commit to the following:
I, _____, having committed my devotion, will.....

1. Have a clean dish from which my dog can eat, and have plenty of fresh water from which he can drink.
2. Have a clean place where my dog can sleep -- a clean dog bed, a clean dog house. Since my dog is a domesticated animal, I will provide my pet with a cool place in summer, and a warm place in winter.
3. Have a good place where my dog can exercise, run, romp, and relieve himself, every day. And, I will clean up after my dog.
4. Have a good place where my dog can socialize with other dogs and people.
5. Never promote the use of my pet for any harmful or illegal purposes.
6. Make time to train my dog to be the best they can be.
9. Control myself, so as not to expect more out of my pet than he is able. I will not abuse my pet, should he displease me.
10. Provide good health care, and yearly check-ups, and Veterinarian care should my pet be injured.
11. Educate myself and others about my dog.
12. Always keep my dog safe, until his or her last breath.
13. I will never place my dog in a shelter or pound.

In the event that my dog should outlive me, I will have seen that my pet is provided for in his remaining years. It is my desire to honor my dog, by honoring this Code of Ethics, and being my dogs best friend.
